The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL TO AMEND LEGAL ENTITY AGREEMENT WITH
TELECARE CORPORATION
(SUPERVISORIAL DISTRICT: ALL)
(3 VOTES)**

SUBJECT

Request approval to amend existing Department of Mental Health Legal Entity Agreement with Telecare Corporation to expand the existing Mental Health Services Act Alternative Crisis Services Urgent Care to eligible Healthy Way L.A. enrollees.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and authorize the Director of Mental Health (Director), or his designee, to prepare, sign, and execute an amendment, substantially similar to Attachment I, to the existing Department of Mental Health (DMH) Legal Entity (LE) Agreement with Telecare Corporation (Telecare) to expand the Mental Health Services Act (MHSA) Alternative Crisis Services (ACS) Urgent Care Center (UCC) to eligible Healthy Way L.A. (HWLA) enrollees. The amendment will be effective upon your Board's approval and add \$176,058 for Fiscal Year (FY) 2012-13, increasing the Maximum Contract Amount (MCA) to \$12,890,402.
2. Delegate authority to the Director, or his designee, to prepare, sign, and execute future amendments to this LE Agreement and establish as a new MCA, the aggregate of the original Agreement and all amendments; and to further amend this LE Agreement as necessary provided that: 1) the County's total payments to this contract provider for each fiscal year will not exceed an increase of 20 percent from the Board-approved MCA; 2) any such increase will be used to provide additional services or to reflect program and/or policy changes; 3) your Board has appropriated

sufficient funds for all changes; 4) approval of County Counsel, or designee, is obtained prior to any such amendment; 5) the County and Contractors may, by written amendment, reduce programs or services without reference to the 20 percent limitation and revise the applicable MCA; and 6) the Director, or his designee, notifies your Board and the Chief Executive Officer (CEO) of Agreement changes in writing within 30 days after execution of each amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the requested actions will allow DMH to amend its LE Agreement with Telecare to expand the ACS services to eligible HWLA enrollees. The amendment amount for Telecare is above the previously approved 20 percent delegated authority, thus requiring your Board's approval.

Implementation of Strategic Plan Goals

The recommended actions support the County's Strategic Plan Goal 3, Integrated Services Delivery.

FISCAL IMPACT/FINANCING

This amendment is fully funded by MHSA/ACS funds in the amount of \$176,058 increasing the MCA for FY 2012-13 to \$12,890,402. Funding for this amendment is included in DMH's FY 2012-13 Final Adopted Budget.

There is no net County cost impact associated with the recommended actions.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Telecare has provided a variety of mental health treatment services for Los Angeles County clients for almost twenty years, including urgent care services, acute hospital services, long-term residential, and comprehensive, integrated outpatient services including Full Service Partnerships and Field Capable Clinical Services for individuals with severe mental illness. In addition, Telecare has a history of working successfully with DMH to transition severely mentally ill State Hospital and IMD clients, to the community.

Telecare established the Mental Health UCC in March 2002, and in Service Area 8, to provide services 24/7 for adults 18 years and older who are exhibiting acute psychiatric symptoms but can be served in an UCC setting. Individuals served included those who were indigent, who frequently became homeless, and/or who came to the attention of law enforcement or psychiatric evaluation teams. The UCC was designed to stabilize the individuals served, thereby providing less disruption for them and their families and avoiding the costly alternatives of unnecessary emergency room visits, hospitalizations or incarcerations. These crisis services are a resource for mental health providers, DMH's Psychiatric Mobile Response and Homeless Outreach Teams, various law enforcement agencies, and residential care providers.

In accordance with your Board Policy Manual, Section 5.120, Authority to Approve Increases to Board Approved Contract Amounts, DMH notified your Board on October 12, 2012 (Attachment II) of its intent to request delegated authority of more than 10 percent with Telecare. This authority will allow DMH greater capacity to amend the Agreement and implement additional services in a more

timely and expeditious manner.

The attached amendment format has been approved as to form by County Counsel. DMH clinical and administrative staff will administer and monitor the agreement, evaluate programs to ensure that quality services are being provided to clients, and make certain that agreement provisions and departmental policies are followed.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

These programs will expand DMH's continuum of community-based care and ensure that clients receive the appropriate level of care needed, including continued access to psychiatric inpatient and community treatment services.

Respectfully submitted,

SUBJECT: **REQUEST TO INCREASE DELEGATED AUTHORITY PERCENTAGE
FOR LEGAL ENTITY AGREEMENT WITH TELECARE CORPORATION
FOR FISCAL YEAR 2012-13**

This memorandum is to comply with Board Policy Manual, Section 5.120, Authority to Approve Increases to Board Approved Contract Amounts. The Policy mandates that any department requesting a percentage increase in delegated authority exceeding ten percent of the total contract amount must provide a detailed justification and advance written notice to your Board, with a copy to the Chief Executive Officer, at least two weeks prior to the Board Meeting at which the proposed contract is to be presented.

The Department of Mental Health (DMH) requests an additional ten percent for a total of twenty percent delegated authority for the Legal Entity (LE) Agreement with Telecare Corporation. This will allow DMH to expand urgent care services to eligible Healthy Way L.A. enrollees.

Should there be a need to exceed the twenty percent delegated authority, DMH will return to your Board with a request for authority to amend the LE Agreement accordingly.

If you have any questions or concerns, please contact me, or your staff may contact Richard Kushi, Chief, Contracts Development and Administration Division, at (213) 738-4684.
